the Lord's  
Prayer!*

# Thank you for downloading this free resource!

I hope it is helpful to you as you teach your students how to say the Our Father! I designed this resource for my first grade CCD class. To use this resource, students simply cut off the bottom portion of the page, cut out each box, and glue each of the words in the right spot within the prayer.

You are welcome to print and reproduce these pages for use in your classroom. Please remember that you **MAY NOT** duplicate these pages for another teacher, upload them to a blog/website, or place them on any shared drive. This is a freebie, so please just pass along a link to this resource if you know someone who would like to use it!
